RE: Response to Freedom of Information Request: EPA-HQ-2014-003306

Dear Mr. Wigger:

This letter responds to your above referenced Freedom of Information Act (FOIA) requesting copies of audit reports produced by the National Enforcement Investigation Center (NEIC for compliance inspections of affected refinery facilities subject to 40 CFR Part 61 Subpart FF("Benzene Waste Operations NESHAP", or BWON) and NSPS QQQ. The Office of Criminal Enforcement, Forensics and Training (OCEFT) has conducted a records search and is providing you copies of records responsive to your request. You will not be billed for the cost of processing this FOIA request, as the cost did not meet the minimum threshold for billing.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. *See* 5 U.S.C. 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

If you are not satisfied with my action on this request, you may submit a written appeal to the National Freedom of Information Officer, FOIA and Privacy Branch (2822T), United States Environmental Protection Agency, 1200 Pennsylvania Avenue, NW, Washington, DC 20460 (U.S. Postal Service Only), or by fax: (202) 566-2147, or by e-mail: hq.foia@epa.gov. Only items mailed through the United States Postal Service may be delivered to 1200 Pennsylvania Avenue, NW. If you are submitting your appeal via hand delivery, courier service or overnight delivery, you must address your correspondence to 1301 Constitution Avenue, NW, Room 6416J, Washington, DC 20004.

Your appeal must be in writing and submitted no later than 30 calendar days from the date of this letter. The agency will not consider appeals received after the 30 calendar day limit. The appeal letter should clearly identify the determination being appealed, including the assigned FOIA request number shown above. For quickest possible handling, both the appeal letter and its envelope should be clearly marked "Freedom of Information Act Appeal."

Should you have additional questions regarding this response, please contact Isabelle Pettiford of my staff via e-mail at pettiford.isabelle@epa.gov or by telephone at (202) 564-7396.

Sincerely,

A handwritten signature in black ink, appearing to read 'T. Seaton', with a stylized flourish at the end.
